3-DAY CRISIS INTERVENTION TEAM (CIT) TRAINING

Whether at work, school, or everyday life, crisis is never planned for so it's important to be prepared! This 3-Day CIT training, sponsored by the Affiliated Santé Group, prepares individuals who may encounter someone experiencing mental health crises. This training focuses on recognizing warning signs, reducing stigma, and connecting individuals to appropriate resources, and promoting long-term improvements in crisis response and community outcomes. As a CIT member, you will respond with confidence when someone needs it most. Together, we can create a more understanding and resilient community.

- ADVANTAGES:**
- ✓ Community Trust
 - ✓ Stigma Reduction

- ✓ Crisis Management
- ✓ De-escalation Training
- ✓ Cultural Competency
